Summer Academy and Camp Invention

If you are looking for some options for your child over the summer, check out these programs. More information is available online.

Thank You

A huge thank you to Foundation46 for approving two grants submitted by Frederick staff members. Both of these grants will help to bring materials into all of our classrooms which will help to engage students and enhance their learning. Thank you to Mrs. Jacobs and Mrs. Golden for submitting these proposals and also helping to monitor their effectiveness and the anticipated positive outcomes. Please visit the Foundation46 website <http://www.foundation46.org> to learn more about the awesome activities they have planned for this summer and please consider supporting their events, as all money raised comes back to our district students.

Last Day of School

BAND INFORMATION – Incoming 5th Graders:

Dear Incoming 5th grade parent,

If your child is interested in playing in the band next year, and you did not attend the band meeting, you must complete the steps below in order to register your child for band. The colored slips that you turned in ***did not register your child for band***. Not completing these steps can risk your child's band participation due to student schedules being completed by the start of the year. **All these steps must be completed by Friday, June 8th.**

Step 1: Carefully read through the attached Band Handbook.

Step 2: Go to the following link and fill out the electronic form.

<https://goo.gl/forms/wqn2TAo7T6ybayzA3>

Step 3: Contact (pmmusiccenter.com) at 630-978-9927 in order to order supplies and rent an instrument for your child, which will be delivered to the school before the 1st day of classes. Tell them you have a child that is an incoming 5th grader/beginning band student to Frederick along with the instrument.

Step 4 for some: If for some reason, you seek to purchase an instrument from someone you know, please schedule an appointment with us to take a look at the instrument if possible to make sure it is a quality instrument in working condition. If you are unable to do this, please email us with the instrument brand and model. We *do not* recommend purchasing an instrument online.
