

Summer Math: Login Directions for Edulastic

1. Login into Google, using your D46 username and password
2. Click on  in the upper right hand corner.
3. Select Google Classroom  Classroom
4. Click on the “Incoming 6th Grade Summer Math Class”
5. Click on the “Incoming 6th Grade Summer Math” Assignment that is posted in Google Classroom
6. This will take you to Edulastic. It should take you right to the assignment. Feel free to work, and click save and exit to come back and work on it again later.

*If Google Classroom does not take you directly to the assignment, it will take you to the Edulastic homepage. Click “Sign in with Google.” Then select the assignment.
