Dear CCSD 46 parents and guardians,

I want to take this opportunity to thank you for your support during my fourteen years here in CCSD 46. I always knew that I could depend on your honest and frequent feedback regarding our initiatives and issues facing our district. Your willingness to volunteer and to attend the many building events is amazing. Your support is one of the reasons this is such a great district.

When I began in July of 2005, Park Campus was just a drawing. Since that time, we have added multi-purpose rooms on Woodview and Avon, added air conditioning, implemented all-day kindergarten and 1:1 technology in grades 3-8. We have improved our curriculum ensuring that your children are engaged in rigorous and viable programs. We also have an excellent staff who play such an important role in the success of your children and our district.

I feel so blessed to have been a part of the CCSD 46 family. As I take the next step in my life, I want to wish you all the best. I know you will be in good hands with Dr. Glickman, your new Superintendent. I will keep an eye on the district and who knows, maybe I will even come in and substitute!

From the bottom of my heart, I would like to thank the Board of Education and you, the CCSD 46 community for allowing me to lead this great district!

Sincerely,

Ellen Correll
