Dear CCSD 46 Families,

I am so pleased to greet you as your new superintendent. I have been “on the job” since July 1, and I already feel warmly welcomed by the CCSD 46 community. I was very glad to be able to meet many of our families during Central Registration earlier in the month. Whether your family has lived in the area for generations or you are brand new to our community, I hope that you will feel right at home, right away in a district that celebrates the richness of our diversity.

I wish to highlight two upcoming events, as they are designed to bring our community together:

- On the afternoon of September 8th, GMS will host an Open House to celebrate 50 wonderful years of educating students. More information will follow.
- Barnfest, an annual Foundation46 event for adults, will occur in the evening on September 21. I am eager to meet many members of the CCSD 46 community that evening. You can learn more about the foundation’s support of our students and register for the event at www.foundation46.org.

The 2019-2020 school year is off to a wonderful start! I was able to visit all of our schools during our first few days of student attendance, and I can attest to the high level of excitement and engagement that was present in all of our schools. If you have a moment, I highly recommend viewing the short Welcome Back video that is posted on this page. Our students made it as a surprise for our staff, and it is a wonderful illustration of how our students feel about our schools!

Most sincerely,

Dr. Lynn Glickman
Superintendent
