

District 46 Kindergarten Supply Lists

2020-2021

As CCSD 46 continues to explore processes through an equity lens, we determined the grade level supply lists needed more continuity. A team has worked to compile a single supply list per grade. Due to beginning the year with Remote Learning, we have provided two lists - one for Remote Learning and one for our return to Onsite Learning. We wanted you to have the full list as we know that many of the items are more readily available (and potentially cheaper!) now.

When it is safe to return to Onsite Learning, your child should bring all of the items they used during Remote Learning along with the items for Onsite Learning. If items were needed for both Remote Learning and Onsite, we added the total number in the Remote Learning List. If you have these items at home or something similar, please do not purchase new items.
